## **REASONS FOR ALLOWANCE**

1. Claims 1-7 are allowed.
2. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims is the fluid damper having a stepped edge portion that partially circumvents the aperture, first and second flanges, and a skirt connected to and movable with the first flange in combination with a means for moving the first flange relative to the second flange with the flanges riding on the stepped edge portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
